WELCOME! Thank you for choosing Studio for the Living Arts Dance Complex for your child's dance education. We are entering our 35th season and we are proud to have built a reputation for excellence in dance instruction in the community. We trust that your dancer will have a positive experience, building confidence and self-expression.

Studio for the Living Arts (SFLA) Dance Complex is dedicated to providing a positive, caring, professional dance environment that encourages the growth of well-trained dancers. We offer an innovative year-round program expanding the standard dance curriculum, and our studio is staffed with the highest qualified instructors who are committed to helping students develop life skills, dedication, technique, and performance ability. Our entire faculty provides the highest quality of instruction, and we continuously strive to raise dance standards by renewing and updating our teaching skills.

Our schedule has no shortage of creative and unique dance classes offering the opportunity to experience, experiment, and explore the many different aspects of dance! Our studio offers two tracks of training with an Educational Program or our Competitive/Pre-professional Program. We also offer non-recital 6 week "Mini Session" class options

EDUCATIONAL TRACK PROGRAM: Our Educational Program runs from September through mid-June, and culminates with an annual recital performance. The Educational Program offers classes for students, ages 3-19, in various disciplines including ballet, jazz, tap, lyrical, contemporary, acro, hip-hop and creative movement.

COMPETITIVE/PRE-PROFESSIONAL PROGRAM "PULSE DANCE COMPANY"

Our Competitive Program offers exceptional instruction with a professional faculty, innovative and current choreography, limitless training, travel opportunities, and pre-professional mentorship. These students are members of "Pulse Dance Company" which is a cutting-edge competition and performing group for the experienced, serious students age 5-18. "Pulse" is made up of 90-100+ dancers from over 20 towns and cities. The Competition program offers various levels of commitment. Acceptance by invitation or audition.

POP-UP DROP-IN CLASSES In addition to our weekly core classes, we also offer students the opportunity to take additional drop-in classes as supplementary training in a variety of dance styles. Drop-ins are community-wide classes and open to all. Check our monthly newsletters and Facebook Page for updates!

6 WEEK MINI SESSIONS ♦ This is a great way to sample classes without a long commitment or if you have a busy schedule. There is no registration fee, and the \$75.00 6-week session fee is due at the time of registration. 6-week session fees are non-refundable.

FALL SESSION: OCTOBER 17 - NOVEMBER 23, 2026

WINTER SESSION: JANUARY 4 – FEBRUARY 13, 2027

SPRING SESSION: MARCH 1- APRIL 12, 2027

ACRO/TUMBLING LEVELS 1-4 Learn how to properly execute acrobatic tricks and develop gymnastic skills, including walkovers, flips, handsprings, aerials, and more. Our acro training program also gives our students a veritable performance edge! Additional class focus is placed on strengthening and core exercises, along with increasing flexibility. Here are some items you will need to bring to class: 2 Yoga Blocks (all levels), and for Levels 3+, a KNK Miami Stretch Band and 12"x2" Resistance Bands. We follow the Acrobatic Arts curriculum, a world-renowned comprehensive program, providing a safe and fun environment for our students. Acro Levels 1-4 perform in our year-end recital.

*Order KNK Stretch Bands <https://knkmiami.com/products/stretchband-premium>

*Yoga Blocks and Resistance Bands: Amazon or local Sporting Goods Stores

ACRO TRICKS, CONDITIONING, AND FLEXIBILITY LEVELS 5+6.

Elevate your training with our Acrobatic Arts Certified instructor, Miss Pam! This popular class includes conditioning segments that are intended to challenge dancers to perform at a higher level by incorporating core workouts, stretches, flexibility, and balance control techniques. This class will also teach high-level acro tricks. This is a non-recital class.

BALLET is essential to building a solid dance education. A classical form of dance which concentrates on barre, centre floor, proper body alignment, and technique. Pre-pointe and Pointe work is available by teacher permission. It is recommended that all students ages 9 and up enroll in one ballet class per week. Two ballet classes per week will help students age 10 and up reach their goals and prepare them for pointe class.

BALLET/POINTE This advanced class designation is structured to allow for freedom to work some weeks more on ballet technique and some weeks more on pointe if applicable. For advanced students who are not on pointe, you will have the full 1.25 hr. ballet class. Dancers en pointe must train in 2 weekly ballet classes along with their 2 weekly pointe classes.

COMBINATION CLASSES are one of the oldest and most highly successful programs where children are introduced to the basic elements of dance in 2 different genres. Students perform 1 of the genres in the year-end recital.

CONTEMPORARY dance is a style of expressive dance that combines elements of several dance genres, including modern, jazz, lyrical, and ballet.

COMPANY CLASSES are rehearsal/training classes for the studio's "Pulse Dance Company" Competition Team. What sets us apart from other competitive studios is our ability to prepare dancers for college or the industry, i.e., auditioning, longevity in their career, master classes with industry leaders, choreography, and performance experience. We strive to educate our dancers in all disciplines of dance.

HIP-HOP Our hip-hop is a fast moving, high energy style class that is taught to the latest music of today. Warm-up, stretches, and isolation segments are followed by combinations and hip-hop choreography. Hip-Hop mixes Funk and Street styles that are commonly seen in music videos. No technical training needed!

JAZZ dance is a favorite for dancers of all ages, and a must for actors who want to perform in musical theatre. Students learn not only dance terminology, but also how to stylize, texturize and isolate their movements. As students progress, so does the fun in difficult leaps, turns, and combinations. We offer 6 levels of Jazz dance based on age/experience, and classes are taught by seasoned, experienced instructors in a fun and supportive atmosphere.

LEAPS, TURNS, FLEXIBILITY Designed for the motivated and dedicated dancer to improve, practice, and maintain technique and flexibility. Class focuses on the 3 key elements of technique: Core Work, Body Alignment, and Balance. Some of the more basic skills (Level 2- 3) include chaîné turns, piqué turns, pirouettes, spotting, and coupe turns, through the more Advanced Levels with À la seconde turns, calypso, firebirds, floats, illusions, leg hold turns, and multiple pirouettes.

URNS AND FLEXIBILITY LAB

Our Turn+Flexibility Lab is designed for dancers who want focused training that directly improves execution, power, and consistency. Throughout the season dancers will work on targeted drills to improve extensions, splits, control, alignment, and cleaner turn sequences. This is an excellent option for dancers who are ready to sharpen details and elevate overall performance quality. Seasonal or 6 week mini session options.

LYRICAL Class is designed for dancers looking to grow and challenge themselves with technique, style, and artistry. A song's lyrics are a driving force and key inspiration for the movement for this popular and recognized form of dance. A solid ballet-based technique is an essential component of this style of dance as is various other forms of jazz and contemporary dance.

MINI MOVERS ages 3-5 Mini Movers is our revised and redesigned Creative Movement program, which is offered to our youngest dance enthusiasts. We believe that even our tiniest dancers are capable of achieving BIG GOALS!! This class will combine elements of beginner ballet and jazz, rhythmic skills, and dance appreciation. Students will improve flexibility, learn basic dance terminology, and explore movement in a fun and encouraging atmosphere.

"MOVE WITH ME" PARENT/CAREGIVER + CHILD 6 WEEK MINI SESSIONS

This mini session series of classes is for you AND your child! Our instructor will provide you with guided dance activities, tumbling movement, and music! From parachute play to obstacle courses, you and your child will love this course. We only ask that your child can walk in order to participate!

TAP classes are designed to develop rhythm, style and sound. The class emphasis is on developing proper tap technique, producing clear tap sounds, and having fun. As students progress through each level, the curriculum will become increasingly more complex and intricate.

Following your first installment at registration, subsequent payments are due on the 5th of each month. Example: If you register in September, future payments would be due October 5th, and each month forward on the 5th, with the last installment being due June 5th for a total of 10 installments. Payments received after the 10th of the month will be assessed a \$20 late fee.

TUITION OPTION 2: ONE 10% DISCOUNTED ANNUAL PAYMENT

When the annual tuition is paid in full at the time of your registration submission, a 10% discount is applied, and the annual registration fee is waived. This discount is only available when processing and completing your registration.

RECURRING TUITION AUTOPAY OPTION This is an automated system where your tuition payment is automatically drafted from your Credit or Debit Card on the 1st of each month for the amount of your monthly tuition installment fee. This will ensure that your payments are received on time. Please note: when storing your credit card to our secure account portal, please be sure to also check the “use for recurring billing” box. LEVEL PLACEMENT We are committed to finding the absolute best class for each student so that we can ensure proper training and a safe and enjoyable learning environment. All classes are planned thoroughly; to be taught with proper terminology, conditioning stretches for flexibility, body awareness for appropriate ages and levels, and creatively challenged in a positive and caring dance environment. We place our students in classes according to skill, ability and improvement, rather than age. Please note: Age reference is merely for a guide for new student enrollment until our instructor has properly observed student's ability.

Returning Student Placements: Our goal is to keep each class progressing together at a similar pace while paying attention to the slight mixed level that will naturally arise and change throughout the year. If it is determined by the teacher that a student has not been enrolled in the proper class the studio will contact the parent/guardian immediately.

New Student Placements: For dancers who come to us with experience at other studios or who have been absent from us for some time, your first class is used as a trial. After the first class the teacher will make an assessment and advise if proper placement has been achieved or if a switch to another class is a better fit.

LEVEL GUIDES: Age range provides a general guideline for initial placement.

Level 1 Beginner: Basic fundamentals are introduced, including body alignment, vocabulary, and basic positions of the feet & arms.

Levels 2-3 Advanced Beginner/intermediate: 1-4 years experience. Each level is structured to provide more advanced training as the student is ready.

Level 4 Inter Advanced level is the culmination of study and hard work. Students should possess 4+ years of recent and consistent training.

Levels 5-6: Advanced classes are designed to challenge the skill level of our most advanced students with 6+ years of consistent training.

JUNE RECITAL PERFORMANCE JUNE 13, 2027 We believe performing is an integral part of a student's dance education and our annual recitals give students an exciting opportunity to perform in a professional theatre. We will present 2 shows on the same day, and students will appear in one show or the other. If students are in multiple classes, they can appear in multiple shows. We try to place a variety of different numbers and levels in each performance so we can exhibit a variety of genres in order to keep the shows as entertaining as possible. We are not always able to accommodate putting all of siblings' classes in the same show. Students wishing to see the performance from the audience must purchase a ticket to each show they wish to attend. Ticket prices are \$25 per person. Performers who wish to see any part of the performance from the audience must purchase a ticket. Ticket pricing includes a \$2 per ticket fee imposed by the theater. Instructors reserve the right to omit a student from all/or parts of a recital performance if they have consistently missed classes. All Recital Media Fees and any past due fees must be paid prior to purchasing tickets for recital.

RECITAL COSTUMES fees are due by January 5, 2027. Students require a costume for each recital class that they are enrolled in. Costume fees for our annual June recital range from \$85-\$95 per dancer, per class. If tights are required for your costume, the cost will be included in your costume bill. Ballet Levels 3-6, which require backseam tights, are purchased separately by the student. "Combo" classes will perform one recital number. If you have a credit card on file and the "use for recurring billing" box is checked, your costume fee will be drafted January 5th. You may add or uncheck the recurring box option at any time. All accessories such as headpieces, gloves, etc. (if applicable) will be included in the cost. Costumes not paid for by January 5th, or for students joining the session after that date, the account will be charged a \$15 separate order/separate ship fee per costume. After January 10, we may be unable to place additional costume orders due to unavailability. Costumes are non-exchangeable, and payment is non-refundable. Companies offer sizes in sm., med., lg. and XL. Although rare, alterations are the responsibility of the student's parent.

RECITAL MEDIA FEE DUE JANUARY 5, 2027 There will be a \$35 recital media fee (one per family) which is posted to accounts, and the fee is due with your costume payment. The Media Fee covers a digital copy of the recital video. "Keeping Pace" Video productions will be filming. All families pay the media fee in order to participate in the recital and they will receive a download link once the videographer has the finished product complete. Due to the ease of sharing digital content, the media fee is mandatory. The one fee covers all performances that are held on recital day. For recurring billing accounts, your media fee will be drafted on January 5, 2027.

STUDENT DROP-OFF AND PICK-UP POLICIES While we care about your children, we are not a childcare facility. We are only responsible for our students during the time of their class with us. We are concerned about the safety of every individual that we teach, and we want everyone to maintain awareness of how to be safe when coming to and from classes. The safest situation is to park your vehicle and walk with your child into our lobby. We also suggest that you come into the lobby to pick up your child after class. Please make every effort to pick students on time. In the case of an emergency or unavoidable delay, please contact the studio immediately via phone at 657-3006, to inform us of the situation so we can keep your child calm / safe until they can be picked up.
